

The Official Newsletter of the Ballet Women's Committee

October 2008

Dear Ladies,

The momentum continues as we are on the home stretch before the auction on October 23. Thank you so much for your attendance and support at our meetings. A big thank you to Wendy Henry for hosting our October meeting. Thanks, too, to Kim Benos and her committee for the delicious food enjoyed by all.

Please help with the auction by making your \$50 donation or item to one of the chairman. Continue to invite you friends and family and call Michelle or Sherry (listed below) with your reservations. Thanks so much for the wonderful response we have had regarding workers for the auction. A committee chairmen will be calling you regarding the work schedule for setup on Wednesday or the auction on Thursday. It is not too late to sign up to help. We need all of you to make this day a success! You don't want to miss all the fun we have working on this project!

We will have directories available at the auction for those who haven't gotten one. After that date, you will need to contact me to get a copy.

Also, if you have had a daughter who was a Poinsettia Debutante, please contact Vicki Brannon at 824-0089. She is trying to get the Pointe Society started again and needs the names and addresses of the past debs. She will be planning some events that they will not want to miss.

There has been some question regarding who is supposed to attend the Board meetings. If you are a committee head working on the ball or the auction or a general officer of the club, then we ask that you attend the meeting at 9:30 a.m. before the general meeting. But, if you have a question or an interest, anyone is welcome to attend this meeting.

Please make plans to come to our November meeting at Elizabeth Ferguson's home. We will be celebrating the success of our auction and then turn our attention to the Poinsettia Ball. No lack of action for the ladies of the Ballet Women's Committee!

Melinda Helveston
President
967-3728

NOVEMBER 6, 2008

Board Meeting: 9:30am
Regular Meeting: 10:30am
